Recycle Report: All good.

Planning Commission:

Reviewed Autumn Woods Developers agreement. Discussed concerns about the contiguous Connection of the Solar Farm. Discussed the LRIP project application, all our roads are rated 5 and above so may not be an advantage.

Agenda:

Trees on 160th: Tim and Charlotte Meyers were present as the trees are on their property. Mr. Meyer presented on other properties with trees in the ROW, and the costs associated with removing all the trees. Paul said there is the issue of liability for the town knowing the trees are in the ROW and the Town not doing anything about it. Motion was made to table the issue until the County does a proper survey of the area to make sure what is and what isn't in the ROW;

Miller/Anderson second. The surveying will take place in late fall.

Kleven Assessment Contract; Motion by Miller/Wynveen second to approve the 2026 contract.

Roads: 1st lift on 110th in two weeks 2nd lift will be done. Fog sealing will be done on all roads that were chip sealed.

Chair: Paul reported the county is doing tree work from the last wind storm.

Fire assessment up 5%, our share \$117,203.42. The equalized value for the Town is \$439,043.100.
